**MEMORANDUM FOR:** Special Assistant to the Director  
for Planning and Coordination

**SUBJECT:** Bureau of the Budget Suggestions  
Re USIA Survey Report

1. You will remember that a meeting was held in your office on Friday, 16 July, at which time you acquainted Mr. Hart Perry of the Bureau of the Budget as to the USIA survey and certain problems arising therefrom. Mr. Perry undertook to have the Bureau review the report informally and to tender such suggestions as they might have, it being understood that meanwhile the DCI would have the report in his hands for study and possible forwarding.

2. Mr. Perry today informed me that the Bureau has completed its informal review and that its suggestions are only the two proposals which I have transcribed on the attached page.

3. I thanked Mr. Perry; in reply to his query, I informed him that I did not know whether the Director had forwarded the report or not, but that I would put the Bureau's comments before the Director and that he would probably forward them with the report if it has not been forwarded or (if the report has been sent) would transmit the Bureau's comments for Mr. Streibert's information.

4. Given the minor nature of the suggestions, I recommend that the above action be taken rather than revising the particular pages of the report to reflect the suggestions.
